Background/Context

A unique resource in Ireland, the Museum preserves and conserves, where appropriate, the heritage of the nation and creates a vital connection to our nation's past. The Education Department puts people at the centre of all that it does, engaging with them in new and creative ways and undertaking research in a number of areas. The Department designs, develops and evaluates a range of education and learning programmes, resources and services that enable a range of different publics and communities to access and engage with the national collections in inspiring and innovative ways.

The Museum plays a central role as a source of learning and knowledge of Ireland's culture and natural history. Over one million visitors visit the NMI annually, of which 173,473 people participated in and engaged with the NMI's learning programmes and services in 2019. Of that number, 104,016 young people from the formal education sector participated in and engaged with the NMI's learning programmes and services. National Museum of Ireland

being in force relating to the civil service. The appointee will be subject to the National Museum's policies in respect of Code of Standards and Behaviour.

Superannuation and Retirement

The successful candidate will be offered the appropriate superannuation terms and conditions as prevailing in the National Museum of Ireland at the time of being offered an appointment. In general, and except for candidates who have worked in a pensionable (non-single scheme terms) public service job in the 26 weeks prior to appointment (see paragraph d below), this means being offered appointment based on membership of the Single Public Service Pension Scheme ("Single Scheme"). Key provisions attaching to membership of the Single Scheme are as follows:

a. Pensionable Age

The minimum age at which pension is payable is 66 (rising to 67 and 68) in line with State Pension age changes.

b. Retirement Age:

Scheme members must retire at the age of 70.

c. Pension Abatement

- If the appointee was previously employed in the Civil Service and is in receipt of a pension from the Civil Service normal abatement rules will apply. However, if the appointee was previously employed in the Civil Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER) or the Department of Health Circular 7/2010 VER/VRS which, as indicated above, renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements will, however be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.
- If the appointee was previously employed in the Civil Service or in the Public Service please note that the Public Service Pensions (Single Scheme and Other Provisions) Act 2012 includes a provision which extends abatement of pension for all Civil and Public Servants who are re-employed where a Public Service pension is in payment. This provision to apply abatement across the wider public service came into effect on 1 November 2012. **This may have pension implications for any person appointed to this position who is currently in receipt of a Civil or Public Service pension or has a preserved Civil or Public Service pension which will come into payment during his/her employment in this position.**
- **Department of Education and Skills Early Retirement Scheme for Teachers Circular 102/2007**
The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. It is a condition of the Early Retirement Scheme that with the exception of the situations set out in paragraphs 10.2 and 10.3 of the relevant circular documentation, and with those exceptions only, if a teacher accepts early retirement under **Strands 1, 2 or 3** of this scheme and is subsequently employed in any capacity in any area of the public sector, payment of pension to that person under the scheme **will immediately cease**. Pension payments will, however, be resumed on the ceasing of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension payment).

National Museum of Ireland

- **Ill-Health-Retirement.** Please note that where an individual has retired from a Civil/Public Service body on the grounds of ill-health his/her pension from that employment may be subject to review in accordance with the rules of ill-health retirement within the pension scheme of that employment.

d. Prior Public Servants

While the default pension terms, as set out in the preceding paragraphs, consist of Single Scheme membership, this may not apply to certain appointees. Full details of the conditions governing whether or not a public servant is a Single Scheme member are given in the Public Service Pensions (Single Scheme and other Provisions) Act 2012. However the key exception case (in the context of this competition and generally) is that **a successful candidate who has worked in a pensionable (non-single scheme terms) capacity in the public service within 26 weeks of taking up appointment, would in general not become a member of the Single Scheme.** In this case such a candidate would instead be offered membership of the pension scheme for non-established civil servants ("Non-Established State Employee Scheme"). This would mean that the abatement provisions at (c) above would apply, and in addition there are implications in respect of pension accrual as outlined below:

e. Pension Accrual

A 40-year limit on total service that can be counted towards pension where a person has been a member of more than one existing public service pension scheme would apply. This 40-year limit, which is provided for in the Public Service Pensions (Single Scheme and other Provisions) Act 2012 came into effect on 28 July 2012. **This may have implications for any appointee who has acquired pension rights in a previous public service employment.**

f. Pension-Related Deduction

This appointment is subject to the pension-related deduction in accordance with the Financial Emergency Measure in the Public Interest Act 2009. For further information in relation to the Single Public Service Pension Scheme for Public Servants please see the following website: <http://www.per.gov.ie/pensions>

Sick leave

Full pay during properly certified sick absence, provided that there is no evidence of permanent disability for service, may be allowed up to a maximum 92 days in one year and at half pay thereafter, subject to a maximum of 183 days sick leave in any period of four years or less.

The appointee will be required to sign a mandate authorising the Department of Social Protection to pay any benefits due under the Social Welfare Acts direct to the National Museum of Ireland and payment during illness will be subject to the officer making the necessary claims for social insurance benefit to the Department of Social Protection within the required time limits.

Official secrecy and integrity

The appointee will be subject to the provisions of the Official Secrets Act 1963, as amended by the Freedom of Information Act 1997. The appointee will agree not to disclose to third parties any confidential information especially that with commercial potential either during, or subsequent to, the period of employment.

Prior approval of publications

The appointee will agree not to publish material related to official duties without prior approval by the Director of the National Museum of Ireland.

National Museum of Ireland

Political activity

During the term of employment, the appointee will be subject to the rules governing civil servants and politics.

Further details

Detailed provisions regarding various other terms and conditions, such as categories of leave (including maternity, adoptive and health & safety leave), some or all of which may be relevant to the appointee, are set out in circulars available on www.personnelcode.gov.ie.

This is intended only as a guide. Full terms and conditions will be issued as part of the contract of employment.
