## DUTCH 'AMSTERDAM' SLEIGH

This beautifully decorated sleigh is known as an 'Amsterdam' sleigh, and dates back to the 1750s. It would have been a common sight throughout the city of Amsterdam in the 17th and 18th centuries. Look closely to see the dragon crafted into the top of the sleigh, and elegantly painted flowers and images along its sides.

Using this artefact as inspiration, design a sleigh shaped decoration. Use lots of different colours and textures to decorate it before hanging it up in your room or on your Christmas tree!
