

# SALT DOUGH RECIPE

For enough dough to make about  
10 cookie sized decorations:

## You will need:

125g of Plain Flour

300g Fine Salt

A few drops of food colouring (optional)

**\*It is very important to note that you carry out this activity with an adult helper and your dough and ingredients are not to be eaten or consumed!**

## Directions:

**STEP 1:** Put the flour and salt in a bowl, mix together with your hands.

**STEP 2:** Add water bit by bit until you get a soft dough. Start with half a cup adding more or less as required. You can also add food colouring, or paint it later.

**STEP 3:** Knead well for a minute until smooth.

**STEP 4:** Now you can start to shape your designs, using the 'Craft your Christmas' activities to inspire your shapes! Don't forget to push a hole through your decoration for a ribbon or tie to hang it up!

**STEP 5:** Leave your finished decorations to air dry until hard or ask an adult to bake them at 80-120°C Fan/ Gas Mark 1/2-2 for about 30-40 minutes, depending on thickness to dry them out.

**STEP 6:** Decorate your finished pieces in any way you choose!
