ORIGAMI BIRD ORNAMENTS

This origami bird decoration was designed especially for the Museum by an Irish designer with a very Christmassy name - Fiona Snow! It is part of a collection of Christmas decorations we have at the Museum. Do you have a favourite Christmas decoration? What makes it so important to you? Perhaps it was passed down by a family member, or made by someone you love?

Why not use the origami bird as inspiration for your own decoration! You could try create your own origami or use our recipe for salt dough!

Christmas at Collins Barracks

You can make a Salt Dough decoration - look for instructions on our website or make your decoration with card, ribbons or any materials that you like!
